

60 Second Pomegranate Deseeder

1 Wash fruit, trim crown and cut in half.

3 Score edge four or five times.

4 Place on deseeder. Firmly thump sides ... then on top.

A Top Seller on Amazon for Pomegranate Deseeding Tool. See some reviews:

Abbey Hendricks – November 24, 2022
Will Now Buy Pomegranates
I hated to buy pomegranates before because they took so long to deseed. This is a total game changer. . .

DM – December 31, 2022
Easy to Use and Works
Following the directions that came with this. It worked very well. It is also easy to clean.

Dawn – December 10, 2022
Easy to Use
Finally a easy way to deseed a pomegranate. . .
